If a row does not exist, place an NO in that box.**

LEATHER CONTENT & COLOR

PLEASE CLICK THE BOX NEXT TO THE LEATHER PACKAGE DESIRED ONLY CHOOSE ONE.

REGULAR

This package has a higher leather content, with all seating surfaces covered in genuine leather. The sides and backs are covered in durable automotive-grade vinyl. On the second- and third-row seating, carpet may be installed on the seat backs, determined by the factory design.

DELUXE

This package has a lower leather content with more vinyl on seating surfaces. The sides and backs are covered in durable vinyl, just like the regular package. On second and third-row seating, carpet may be installed on the seat backs, determined by the factory design.
